Title : DEPILATORY COMPOSITIONS, THEIR PREPARATION AND USE

DECLARATION RE INVENTOR PHILIPPE LEDON

I, Amanda J. Wilde, declare as follows:

1. I am the formalities and records manager in the Group Patents Department of Reckitt Benckiser plc and, among my responsibilities, is the task of ensuring that documents relating to patent applications are properly signed by the inventors, when necessary.
2. The Group Patents Department of Reckitt Benckiser plc handles virtually all of the formalities involved in obtaining patent protection for the inventions owned by the Reckitt Benckiser group companies including, specifically, the assignee of the above-noted application, Reckitt & Colman France (now, by change of name, Reckitt Benckiser France).
3. Previous attempts to obtain a signed Combined Declaration and Power of Attorney from Philippe Ledon were unsuccessful. These attempts were documented as Exhibits E and H attached to my declaration of 16 March 2001 which was filed herein on 19 March 2001.
4. On 3 October 2001, I again wrote to Mr. Ledon and asked him to sign another Combined Declaration/Power of Attorney for this application. Attached, as Exhibit M-1, are copies of my letter of 3 October, of the Combined Declaration/Power of Attorney, and of a UPS waybill showing that these documents were sent to Mr. Ledon on 3 October 2001. I used, as the address, the last known address

obtained from the Human Resources Department of Reckitt Benckiser France.

5. The materials sent to inventor Ledon were returned as undeliverable. Attached, as Exhibit M-2, is a copy of the waybill of Exhibit M-1 with a sticker covering a portion of the right side. The sticker is a Return to Shipper Notice showing that the package was returned on 12 October 2001 marked "moved- no phone number". UPS obliterated the address of the intended recipient, but it can be discerned on the original.
6. Attached, as Exhibit M-3, is a copy of the contents of the UPS package which was returned.
7. At the time the invention was made, Philippe Ledon was employed by Reckitt & Colman France but he is no longer with the company. The Human Resources Department of Reckitt Benckiser France does not have updated contact details for Mr. Ledon and, at this point, there is no practical way for us to track him down.

I declare that all statements made herein of my knowledge are true and all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like are made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001 and that such willful false statements may jeopardize the validity of this application or any patents issuing thereon.

Signed at Kingston upon Hull, England, this 4 day of ^{February}~~December~~, 2002

Amanda J. Wilde
